AMGUEDDFEYDD TREFTADAETH DIWYLLIANT BETH SY 'NA I FI?

Dyma'r cwestiwn ofynnion ni i grwpiau o bobl ifanc yn Rhondda Cynon Taf, Ceredigion, Torfaen, Caerffili ac Abertawe.

Mae'r holl grwpiau wedi gweithio gydag artistiaid profiadol i edrych ar eu treftadaeth ddiwylliannol a chreu gwaith project o ansawdd uchel mewn cyfrwng o'u dewis – o animeiddio i ddylunio ar gyfer y we.

Mae Ar Dir Cyffredin wedi creu cyfleoedd ac achrediad i bobl ifanc, ac wedi dangos bod gan amgueddfeydd rywbeth i'w gynnig i'r gymuned gyfan yn y 21ain ganrif, dim ots beth yw eu hoedran, eu gallu na'u cefndir diwylliannol.

MUSEUMS HERITAGE CULTURE

WHAT'S THAT ALL ABOUT?

This is the question we asked groups of young people in Rhondda Cynon Taff, Ceredigion, Torfaen, Caerphilly and Swansea.

All the groups have worked with experienced artists to explore aspects of their cultural heritage and create high quality project work in the media of their choice – from animation to web design.

On Common Ground has provided opportunities and accreditation for young people, and has also shown that museums in the 21st century have something to offer to the whole community, irrespective of age, ability or cultural background.
